

## **The Board of the Greenburgh Library Guild Is Looking For a Few Good Men and Women**

The Greenburgh Public Library is an essential resource in our community, providing opportunities for learning, services and cultural enrichment for all members of the Greenburgh community.

The Greenburgh Library Guild supports special projects and physical improvements to the Library's already dynamic physical space through raising private funds. We are recruiting Greenburgh residents interested in furthering this important work to **join our Board**. Individuals with backgrounds in law, finance and accounting, business, research, real estate, marketing and communications, education, nonprofit management, or fundraising are encouraged to apply. Volunteers with ideas, energy, and who appreciate the value the library brings to our community--kids, families, and residents of all ages-- are welcome. You can make a major difference!

To find out more, please send a brief bio or resume to Kathy Wilson, Board President, at [kwilsonmn@yahoo.com](mailto:kwilsonmn@yahoo.com). We look forward to hearing from you.
